

## HeadHat Bowl

Santa & Cole Team. 2013  
Pendant lamps

HeadHat Bowl S

HeadHat Bowl L

The HeadHat Bowl series is another great example of industrial craftsmanship. Their ceramic shades are moulded manually one by one into their perfect shape; the HeadHat Bowl features an opaque density, with simple concave shapes and LED technology that provides beautiful direct light; ideal for lighting tables, reference rooms or other specific areas. Perfect for creating a warm interior. The HeadLED system and its light capsule allows for a single capsule (head) to fit different shades (hats). Its interchangeable modular components and technology lend the intuitive HeadHat system products a long life cycle, great heat dissipation and a glare-free lighting experience.

HeadHat system products incorporating the HeadLED technology include: the HeatHat Bowl, the HeadHat Plate, the M64 shade and the Cirio lamp with three shade options. The balance between tradition and modernity. An efficient and intuitive system that adapts to the user's needs, whether aesthetic or functional.

### General description:

Capsule with LED module, translucent white diffuser and heat sink with matte black finish.

2 lampshade options: white or black ceramic shade with matte finish interior and gloss exterior.

5 metal circular canopy options with power supply incorporated:

Not dimmable (CE Market): white or black surface-mounted canopy with matte finish.

Dimmable: white or black surface-mounted canopy with matte finish and power supply incorporated.

Electric cable length: 3 m / 118.1" - 8 m / 315"

Suitable for Junction Box (UL market).

### Approximate weight (unpacked):

(A) HeadHat Bowl S: 1,1 kg / 2.4 lb

(B) HeadHat Bowl L: 1,6 kg / 3.5 lb

### Technical information:

Light source included.  
LED module

Not dimmable (CE market):  
Rated input wattage: 3,7 W  
Operating current: 350 mA  
Luminous flux: 530 lm

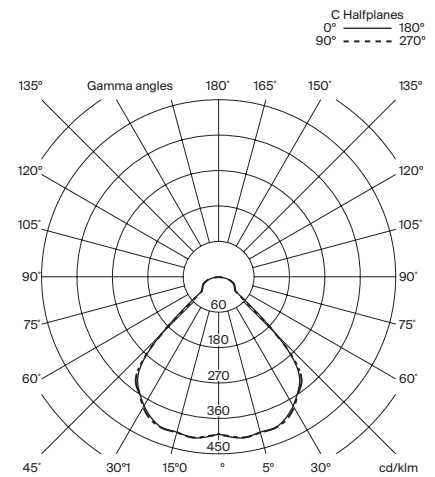

Dimmable:  
Rated input wattage: 7,7 W  
Operating current: 700 mA  
Luminous flux: 633 lm

Colour Temp.: 2.700 K  
CRI: 90  
Lifetime: 40.000 h

Built-in LED.  
Suitable for dimming 1-10V. (Not included external dimmer switch 1-10V).  
Energy efficiency class (E.E.C): A++... A.  
Suitable only for indoor use.

Input voltage: 90 ~ 305 Vac.  
(50 Hz / 60 Hz). According to destination.

Luminous performance with lampshade: 84,1%

### Regulations:

CE  
UNE-EN 60598  
UNE-EN 55015  
UNE-EN 62031  
UNE-EN 61000-3-2  
UNE-EN 60529  
UNE-EN 61347-2-13

### UL

Dry location only  
UL-1598  
UL-8750  
E-336377

### Maintenance:

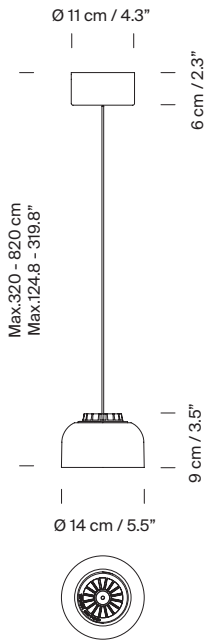

Clean with a smooth cloth. Do not use ammonia, solvents or abrasive cleaning products.

### Others:

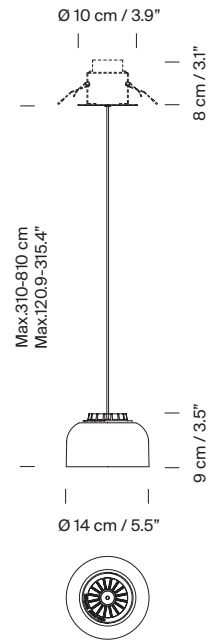

The lamp is delivered in different packages.  
The assembly instructions are delivered with the product.
